PROFESSIONAL SUMMARY

Frontend Developer transitioning from WordPress and design into modern **JavaScript and React** development. Strong foundation in **HTML, CSS**, and responsive design, with hands-on experience building **React apps** and integrating APIs. Creative, fast learner, and eager to contribute to dynamic development teams.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript, React.js (BusinessCard App, SmartChefAI – in progress)
- **Familiar With:** Angular, AngularJS
- **Tools:** WordPress, Elementor, Canva, VS Code, Git, GitHub
- **Designing:** Social Media Creatives, Branding, Content Scheduling
- **Soft Skills:** Communication, Creativity, Time Management, Teamwork, Quick Learning

PROFESSIONAL EXPERIENCE

Apr 2024 – Mar 2026 Triber Digital Marketing — WordPress Web Designer & Graphic Designer

- Built and customized WordPress sites with Elementor and CSS.
- Designed social media creatives for clients (Bhagavati Builders, Ask Your Advisor, Ramson Holiday, Yelkot Builders).
- Delivered responsive, client-focused digital solutions.

Feb 2024 – Mar 2024 Internship — Triber Digital Marketing

- Assisted in social media design and WordPress customization.
- Supported branding and digital marketing activities.

2014 – 2016 Private Mathematics Tutor

- Simplified complex concepts for diploma students through personalized coaching.

PROJECTS

- **React BusinessCard App (Mini Project):** Built a responsive digital business card app showcasing reusable components and props. <https://github.com/gayatrigurav93/first-react-businesscard-app>
- **SmartChefAI (React, In Progress):** Developing an AI-powered recipe assistant integrating APIs for smart cooking suggestions. <https://github.com/gayatrigurav93/2ndReactAppSmartChefAI>
- **WordPress Websites:** bdthotemilk.com, yelkotgroup.com, kothavaleauto.com.
- **Landing Page (HTML & CSS):** Designed a responsive landing page for a Digital Marketing Agency. <https://github.com/gayatrigurav93/Digital-Marketing-LandingPage>
- **Portfolio Website (Ongoing):** Personal portfolio showcasing design and development work.
